### LLRC offers:

- Private Riding Lessons with CHA Certified Instructors
- Therapeutic Horsemanship
- Equine Assisted Learning Programs
- EAGALA Model and non-EAGALA Model EAP

Our programs are designed to reinforce emotional intelligence, cultivate resilience, and help children overcome adverse childhood experiences through activities involving horses. Our motto: God loves you and has a purpose and a plan for your life. And no matter what circumstances you find yourself in, He can recycle it all for good.

## Life Enhancing Benefits of Horses

### Character Development

Handling, riding and caring for a horse or pony develops responsibility, accountability, patience, level-headedness, empathy, kindness, and self-discipline.

### Scholastic Enhancement

The perseverance needed to ride a horse well can translate into improved performance in the classroom

### Health Benefits

Riding is great exercise. Apart from its aerobic benefits, riding also helps children develop balance, coordination and flexibility. In addition, activities involved in caring for a horse—grooming, hauling buckets, saddles, and cleaning stalls makes for a great upper body workout.
